

## **SUCCESS INSIGHTS CEE REGIONAL PARTNER**

### **PEERFORMANCE**

### **DISCOVER YOUR TALENT PROGRAM**

### **FOR SECONDARY SCHOOL AND COLLEGE STUDENTS**

#### **Objectives**

- To raise personal awareness and effectiveness through understanding behavioral style, personal interest, attitudes, values and competences.
- To help to develop self-confidence and understanding of own behavior, motivators and competences and start using them:
  - Deepen self-confidence and self-acceptance,
  - Develop personal strategies,
  - Define own goals,
  - Understand relationships (student, friend, parent, teacher, etc.) better,
  - Improve school atmosphere,
  - Recognize learning style to have more effective learning, career choices and balanced relationships.
- To help students to adapt behavior consciously to different styles to meet the communication challenges of environment.

#### **Assessment 1: Behavior Style**

Student recognizes own preference of communication and learning style. Report helps to develop realistic self-image and deepen self-confidence. If they have better self-confidence, they make easier life, career strategies and manage class, family, friend-related communication situations.

#### **Assessment 2: Personal Interests, Attitudes & Values**

Report is showing personal drives, the focus of interest. Will help to develop personal and study focus. Important for career-orientation.

#### **Assessment 3: Competences**

Student understands basic competence set, which will help him/her for Talent-based studies and work, help to predict job success.

**Peerformance Talent Solutions** is an online system, installed in the school environment for accredited teachers, career office consultants, upon request outside consultants involvement. *Based on the results it is possible to develop and run in the schools individual and team programs for students, teachers and parents.*

#### **Tools**

- Integrated individual, team assessments and benchmarks,
- School-based Talent system, upon request adaptation of that,
- Possibility of teacher / career consultant / coach accreditation,
- Planned project investment.
